

Focus on Forestry First Ltd.

Health and Safety Policy and Procedure

Statement of General Policy

Focus on Forestry First Ltd. fully accepts the obligations placed upon it by the various Acts of Parliament covering health and safety. The Company requires its Directors to ensure that the following policy is implemented.

Introduction

This policy has been prepared and published under the requirements of Health and Safety at Work legislation. The purpose of the policy is to establish general standards for health and safety at work and to distribute responsibility for their achievement to all managers, supervisors, and other employees through the normal line management processes.

Management Responsibilities

- **Director (Managing).** The Directors has overall responsibility for the implementation of the Company's policy. They are responsible for ensuring that the policy is widely communicated and that its effectiveness is monitored.
- **Managers.** Managers are wholly accountable to the Directors for the implementation and monitoring of the policy within the area of their specified responsibility.
- **Safety Officer.** The Safety Officer is a nominated member of staff responsible for coordinating effective health and safety policies and controls across the organisation.
- The Safety Officer is responsible for:
 - ▶ the production and maintenance of the Company's policy and ensuring that Department Guidelines are consistent with policy;
 - ▶ its application;
 - ▶ monitoring and reporting on the effectiveness of the policy;
 - ▶ the provision of general advice about the implication of the law;
 - ▶ the identification of health and safety training needs. The safety officer also acts as the Company's formal link with the Health and Safety Executive, Environmental Health Departments and other external agencies;
 - ▶ the production and maintenance of any health and safety documents or codes of practice as necessary for any relevant area of the Company services where this is required.

Health and Safety Management Process

- Focus on Forestry First Ltd. believes that consideration of the health, safety and welfare of staff is an integral part of the management process. The provision of the Health and Safety at Work etc. Act, associated Codes of Practice and other relevant Directives will be adopted as required standards within the Company. Responsibility for health and safety matters shall be explicitly stated in job

descriptions.

- The Company requires managers to approach health and safety in a systematic way, by identifying hazards and problems, planning improvements, taking executive action and monitoring results so that
- The majority of health and safety needs will be met from locally held budgets as part of day-to-day management, although many health and safety problems can be rectified at little additional cost.
- For major additional expenditure, cases of need will be submitted to the Directors.
- If unpredictable health and safety issues arise during the year, the Directors must assess the degree of risk, in deciding the necessary resources and actions to commit to addressing these issues.

Health, Safety and Welfare Guidelines

- It shall be the responsibility of the manager to bring to the attention of all members of his or her staff, the provisions of the policy and procedures, and to consult with appropriate Health and Safety Representatives about the updating of these policy and procedures. Suggested model contents are:
 - ▶ a clear statement of the role of the policy and procedure
 - ▶ the regulations governing the work
 - ▶ clear reference to safe methods of working, for example procedures, manufacturers' manuals;
 - ▶ information about immediate matters of health and safety concern, such as fire drills, fire exits, first aid;
 - ▶ training standards;
 - ▶ the role and identity of the Health and Safety Representative;
 - ▶ names of specialist advisers who can be approached about the work
 - ▶ the manager responsible for organisation and control of work;
 - ▶ accident reporting procedures;
 - ▶ departmental safety rules;
 - ▶ fire procedures;
 - ▶ policies agreed by the Company.

Identification of Health and Safety Hazards, and Regular Risk assessment

- It is the policy of Focus on Forestry First Ltd. to require a thorough examination of health and safety performance against established standards, **at least** annually. This requires review of:
 - ▶ standards laid down in the policy;
 - ▶ departmental guidelines;
 - ▶ relevant regulations;
 - ▶ environmental factors;
 - ▶ staff attitudes;

- ▶ staff instructions;
 - ▶ methods of work;
 - ▶ contingency plans;
 - ▶ recording and provision of information about accidents and hazards and the assessment of risk.
- The information obtained by the review will be used to form the basis of any change to policy and procedures.
 - The responsibility for ensuring that review is carried out as part of this policy rests with the Director and will be carried out by the Safety Officer. Although the review remains a management responsibility, managers are required as part of this policy to seek the involvement of the appropriate Health and Safety Representative in the conduct of the review.
 - It is the management's responsibility to ensure that any deficiencies highlighted in the review are dealt with as speedily as possible.
 - In addition to carrying out reviews, it is the responsibility of the manager to have checked, at least annually, all portable equipment, including electrical appliances, in their area, and to ensure that all problems are immediately dealt with.
 - Managers have a continual responsibility for the elimination of hazards in order to maintain a safe working environment and will also be expected to carry out regular **risk assessments** in line with the Health and Safety Executive Guidelines; that is follow the 5 steps:
 1. Identify the hazards
 2. Decide who might be harmed and how
 3. Evaluate the Risks and decide on precautions
 4. Record the findings and implement the precautions
 5. Review the assessment and update when necessary

Safety Representatives

Focus on Forestry First Ltd. will support the Safety Representative in carrying out their role and give all reasonable assistance. The Safety Representative will be encouraged to discuss specific health and safety issues with the Director. They may also formally report hazardous or unsafe circumstances to the Directors and will be formally notified of the remedial action taken or be given a reason why the action cannot be taken.

Training

- Health and Safety training shall be incorporated within annual training programmes, as part of the development of a systematic training plan. Health and Safety training needs will, therefore, be identified and planned for in the same manner as other training needs.
- Four areas of need shall be given special priority:
 1. training for managers, to equip them with an understanding of the manager's responsibilities under this policy, and the role and purpose of safety representatives;
 2. training for safety representatives to enable them to discharge their function;

3. training for all members of staff to acquaint them with the main provisions of the law and its practical implication, the main features of this policy and key safety rules;
4. induction and in-service training for staff at all levels to acquaint them fully with new requirements and hazards.

Records, Statistics and Monitoring

The Company will operate systems for recording, analysis and presentation of information about accidents, hazard situations and untoward occurrences. Advice on systems will be provided by the Safety Officer, in conjunction, where appropriate with specialist advisory bodies for example local Environmental Health Departments, and the responsibility for the operation of these systems rests with managers and supervisors at all levels. Information obtained from the analysis of accident statistics must be acted upon and, where necessary, bids for additional expenditure made to the Directors.

Reports to the Health and Safety Executive

The responsibility for meeting the requirements of the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1985 (RIDDOR) to the Health and Safety Executive, shall rest with the Directors as delegated to the Safety Officer.

First Aid

It is the policy of the Company to make provision for First Aid and the training of 'First Aiders' in accordance with the First Aid Regulations (1982). The Safety Officer is responsible for ensuring the Regulations are implemented and for identifying training needs.

Fire

- The Director is responsible for ensuring that the staff receive adequate fire training, and that nominated fire officers are designated in all Focus on Forestry First Ltd. premises.
- In addition, the Company will nominate a Fire Officer (this may be the Safety Officer or someone external to the Company) who will:
 - ▶ report and advise on the standard of fire safety in the Company's premises and the standard of fire training of its staff;
 - ▶ undertake overall responsibility for fire training;
 - ▶ assist in the investigation of all fires in the Company's premises and to submit reports of such incidents.

Condemnation and Disposal of Equipment

Procedures for the condemnation and disposal of equipment are determined by the Directors. Managers introducing new equipment should have such equipment checked initially by the Safety Officer.

Lifting and Handling

Managers are responsible for informing staff of safe lifting techniques. The Safety Officer will identify specific training needs and ensure training in lifting and handling is provided to staff who require it.

Non-Smoking on Company Premises

Focus on Forestry First Ltd.'s policy is that there will be no smoking in its buildings. The overall aim is to reduce smoking and so save life, reduce risk of fire, prevent unnecessary illness and chronic disability. These rules also extend to e- cigarettes / vaping.

Computer Installation and Visual Display Units

All new computer installations must adhere to the British Standard Specifications and comply with the Health and Safety (Display Screen Equipment) Regulations 1992. All new employees operating such equipment are expected to read the Health and Safety Executive guidance entitled 'Working with Display Screen Equipment'. New employees who regularly use VDUs will be required to undergo sight screening.

Control of Working Time

Focus on Forestry First Ltd. is committed to the principles of the Working Time Regulations. No member of staff is expected to work more than 48 hours per week (including overtime) unless there are exceptional circumstances. Similarly all other requirements of the regulations e.g. in relation to breaks, night workers etc. will be complied with.

Health and Safety and the Individual Employee

- The Health and Safety at Work Act requires each employee 'to take reasonable care for the Health and Safety of himself and of other persons who may be affected by their acts and omissions' and co- operate with management to enable management to carry out their responsibilities under the Act. Employees have equal responsibility with the Company for Health and Safety at Work.
- The refusal of any employee to meet their obligations will be regarded as a matter to be dealt with under the Disciplinary Procedure. In normal circumstances counselling of the employee should be sufficient. With a continuing problem, or where an employee leaves themselves or other employees open to risk or injury, it may be necessary to implement the formal stages of the Disciplinary Procedure.

People Working on Company Premises NOT Employed by the Company

Persons working on Focus on Forestry Firsts Ltd. premises who are employed by other organisations are expected to follow Company Health and Safety Policies with regard to the safety of Company employees, their own personal safety (and that of other parties such as the general public if appropriate) and their method of work. This responsibility will be included in contracts or working arrangements.

Visitors and Members of the Public

- The Company wishes to ensure that as far as is reasonably practicable, the Health, Safety and Welfare of visitors to Company establishments will be of the highest standard.
- Any member of staff who notices persons acting in a way which would endanger other staff, should normally inform their Head of Department. If the danger is immediate, common sense must be used to give warning, call for assistance or give aid as necessary. It is equally important not to over-react to a situation.

Contractors

- The Company wishes to ensure that as far as is reasonably practicable, the Health, Safety and Welfare of Contractors working in the Company's establishments will be of the highest standards. In addition, Contractors and their employees have an obligation so far as is reasonably practicable to ensure all equipment, materials and premises under their control are safe and without risks to health.
- Contractors must also observe the Company's Fire Safety Procedures. These obligations will be drawn to the attention of the Contractors in the contract document issued to them. In addition a Company Manager will be identified in the contract as

having authority to stop the work of Contractors who are placing themselves, other staff, or visitors at risk. Any member of staff who judges there is a risk where contractors are working, should inform their Manager immediately.

- In tendering, Contractors will be asked to confirm they have a written Health, Safety and Welfare Policy. The Company's Manager letting the Contract will be responsible for monitoring the Health and Safety performance of the Contractor and the Contractor's performance will be a factor in deciding whether or not to invite the Contractor to tender again.
